CELEBRATE FATHER'S DAY **(with a Stone Creek Nursery Gift Certificate)**

Most guys I know wouldn't mind receiving a bag of fertilizer for their Tomatoes and Peppers, a roll of drip irrigation or a pallet of flagstone as a gift, but it doesn't seem quite right to give Dad a gift of just a little more work. On the other hand, if your gift is a Stone Creek Nursery gift certificate then Dad can buy whatever he wants. A new shade tree, a chiminea for the patio, a cool fountain or any number of 'Dad things' we sell at Stone Creek Nursery. Print and bring in the coupons below to save some money on a great Father's Day gift for your special Dad.

WHAT IF YOUR DAD STINKS?

We have the perfect gift for a smelly Dad. Our Woodwick Candles are just the thing for a great Father's Day present. They come in a variety of wonderful fragrances that fill the house with delightful aromas. Woodwick Candles not only smell great, but they look great and sound great too. Woodwick Candles come in an awesome glass jar with a beautiful wood lid. Best of all, they make a soothing fireplace crackling sound as they burn. Even the stinkiest of Dads will enjoy the gift of a Woodwick Candle this Father's Day.
